CUTLER

bags

Come. Take a Journey with Us.

At Cutler Bags, we find inspiration all over the world – this year, more literally than in the past. When we landed on the World Traveler theme for our 2021 collection (near the end of 2019), we had no way of knowing what an appropriate and welcome motif it would be.

It feels like forever since we were fully able to satisfy our wanderlust, to just hop on a plane and take off to destinations unexplored. While we count ourselves among the fortunate that our beloved golf is one thing we can safely enjoy in these unprecedented times, travel has been another story. For the most part and for now, we're relegated to travel magazines and the internet.

We hope that our World Traveler collection and this catalog will transport you to some of the most alluring and interesting places on earth. We invite you to roam through these pages and voyage with us from exotic Indonesia to the Scottish Highlands, from the Hawaiian and Greek Isles, to the Swiss Alps and beyond.

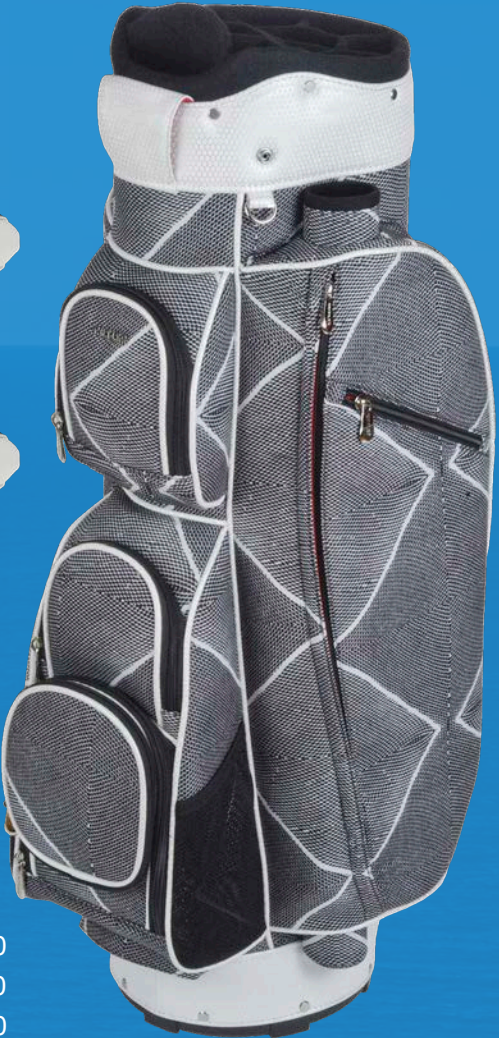

As always, our products are made from the most elegant materials and trims, and designed by our dedicated craftsmen to be highly functional, beautiful and just plain fun. This year, they also harken to easier times and faraway places.

So, grab your passport and explore the 2021 Cutler Bags World Traveler Collection.

Bon voyage!
